## Issue 5 (2018-19)

As I welcome you to our latest newsletter, I do so from the privileged position of being the permanent Headteacher at Lynch Hill Enterprise Academy. I have enjoyed every day since walking through the doors at the start of September and was therefore delighted to be given the opportunity to continue the work that we have begun, to fulfil the potential that Lynch Hill has, to become a truly great school.

I look forward to strengthening our relationship with parents and, in particular, would be very keen to hear your views on how the school sits at present – the things that we do well and the things that still need to be improved. A short survey will be sent out after half term, which aims to collect as much information as possible to help inform next year's school development plan.

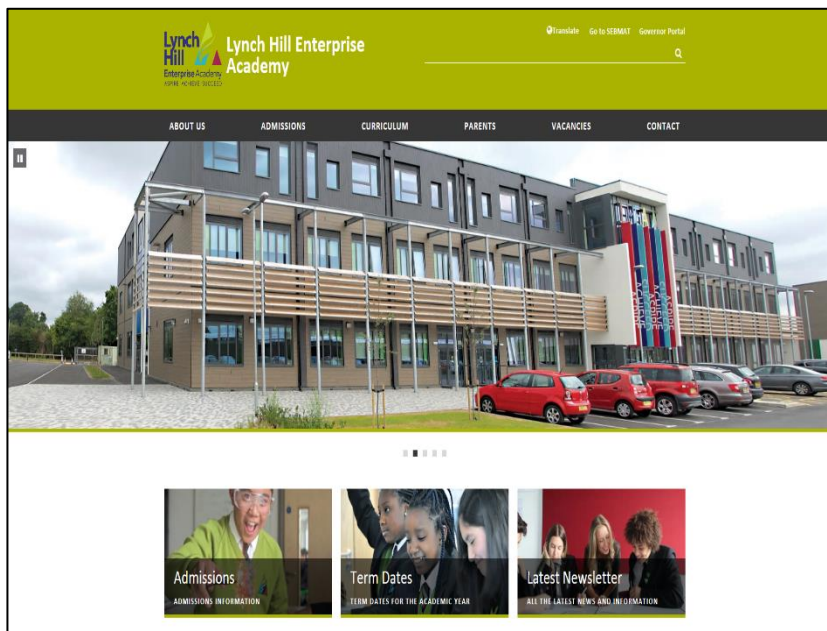

This half term has been a short but incredibly busy one. Year 11 will have completed two weeks of their GCSE exams and will be ready for their break before returning for the final push and the various celebrations which will follow. They are a special cohort for us and will be much missed!

In amongst the reports of activities and celebrations, you will also see that our website has recently been updated. There is work still to do in terms of content but I hope that you will agree that it is a much more user-friendly and professional site and one that I hope you will find enables you to find out all of the information that you need as parents.

Chris Thomas

Head of School

### We have a new website!

We are excited to announce that Lynch Hill has launched our new website! With a new user friendly layout aimed at providing an optimal viewing and browsing experience across multiple platforms including mobiles.

With access to important links, dates and information it's easy to navigate for students, parents as well as the general public.

The website address is still the same [www.lhea.org.uk](http://www.lhea.org.uk) check it out!

### Headteacher's Welcome

*As the Headteacher of Lynch Hill Enterprise Academy I am privileged to lead a caring and innovative secondary school that offers an opportunity for all students to thrive.*

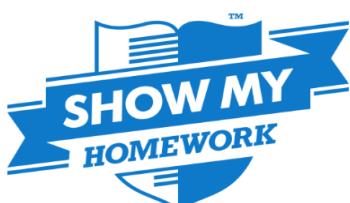

We firmly believe that high achievement for each and every student is our shared responsibility. Our school community celebrates excellence and enables students to flourish as happy, successful individuals who achieve their best in all they do.

Lynch Hill Enterprise Academy develops young people for future success at university, training and for the world of work. Through our developing partnerships with the local community, organisations and businesses, students will develop the enterprise skills needed to be well equipped for the world of work in the 21st century. New state of the art and purpose built facilities, provide an outstanding learning environment in which to deliver an exciting curriculum and broader learning opportunities. We aim to ensure that everyone in the school is able to achieve academic success and, discover new skills and talents.

We want our learners to be happy, confident and to have high aspirations.

I am excited by what the future holds for the students of Lynch Hill Enterprise Academy. The school is improving rapidly and we have a fantastic team of committed staff who work tirelessly to provide the best all round experience for all of the students.

### Slough Foodbank

Thank you to all our supporters from Lynch Hill Enterprise Academy for your recent generous food donations and money gift totalling £367.02. We receive such positive feedback from our clients about how grateful they are to receive food, household products and basic toiletries. We want to convey our enormous gratitude to all the people who have made it possible to continue providing this necessary service to our local people. Clearly, we could not do this without your support.

# Lynch Hill News

## Issue 5 (2018-19)

The food donation that you made weighed 124.3kgs. As a guide to how your donation helps, 10kg of food items will supply a single person with three days of emergency food, but Slough Foodbank does more than just offering short term hand-outs of food, we also provide information about many specialist organisations able to help resolve our clients' longer term problems. In this way we hope to offer a lasting hand-up as they make a positive move into the future.

Should you wish to make a further donation or find out more, please visit our website at [www.slough.foodbank.org.uk](http://www.slough.foodbank.org.uk)

### History Trip to the Trenches

On 17<sup>th</sup> May, forty nine Year 8 students visited Ypres in Belgium to learn about the First World War, a topic that all history students study in depth during Year 9.

Last November marked the hundredth anniversary of the end of the First World War and the students were able to appreciate the immense sacrifice that a whole generation made for their country. Students paid their respects at the largest cemetery for Commonwealth forces in the world, for any war, at Tyne Cot. They also explored preserved sections of British trenches and visited two museums as well as enjoying some free time in the modern centre of Ypres city.

Not only a very humbling experience, the trip will help to place in context their history studies at the start of the new academic year in September.

### Food Preparation and Nutrition

Lynch Hill Enterprise academy will be holding a **Great British Bake Off Competition 2019**. Last year, Nicole Ziolkowski in Year 11 was our winner. This year, Years 7 and 8 are taking part. If your child is taking part, they will bring a letter home to explain what will be expected. Also, Parents and Carers will need to sign a slip to make sure that someone will pick up your child after the competition, as the competition will finish late. With thanks to all parents and carers for supporting your children with ingredients for both the competition and practical activities. The knockout schedule is after school from June 4<sup>th</sup> to 6<sup>th</sup> between 3:15pm and 5pm with 4 students per year group going through to the finals on June 28<sup>th</sup> between 3:15pm and 5:30pm. Good Luck everyone!

# Lynch Hill News

## Issue 5 (2018-19)

In Food and Nutrition lessons, your child should cook once per month unless there are unforeseen inconveniences. In such cases, students will be informed. An ingredient lists of what each year group will be cooking has previously been circulated, but if any of you do not have this information, please write in your child's planner and another copy will be issued. Cooking ingredients will also be on Show My Homework or written in your child's planner.

A huge thank you to parents and carers of Year 11 students for all the support you gave to your children during their GCSE Practical Examinations. You gave them confidence through trialling dishes at home and supported them with ingredients and equipment. Consequently, the practical examination was successful.

### Exam Season at LHEA is here

The Art students sat a 10 hour Art Exam on May 2<sup>nd</sup> and 3<sup>rd</sup>. The students were in high spirits as this marked the beginning of the first ever GCSE exams at LHEA.

Students prepared by planning for their exam, visiting the Tate Modern in the Easter holidays as a group, sourcing materials/resources and making an A5 'test piece plan' of their final piece.

## Issue 5 (2018-19)

### Horticulture Club

The harvest for Horticulture Club continues to be beautiful. With thanks to Peter Nyssen Ltd and Gee Tee Bulb Company for donating the bulbs. The students have been able to take some home, and also decorate the school's reception area.

The students have also organised a sunflower growing competition for the whole school. Each class has been given a seed to germinate and nurture. There will be prizes for the winning class with the tallest sunflower.

## Issue 5 (2018-19)

### Rewards

Since our last newsletter, we have had a great deal to celebrate at the end of the Spring term.

Celebration assemblies were held in the hall where attendance, achievement points, good citizenship and conduct points were all recognised and awarded. Heads of Year also selected individuals for a special Year Award for the students' positive involvement in school.

Highest attendance winners enjoyed their reward – a very tasty breakfast in the dining hall. Tutor groups with the highest good conduct points were treated to pizza and a film in the school hall, which they thoroughly enjoyed.

The race is now on for the trip to Thorpe Park; one tutor group from each year group goes on a subsidised trip to the theme park at the end of the summer term and this is achieved by having the highest number of conduct points – (achievement points minus behaviour points). May the best groups win!!

### SPRING TERM AWARDS

#### Tutor groups with highest good conduct points

Year 7 – Curie/SHO

Year 8 – Jobs/ARA

Year 9 – Jobs/MWE

Year 10 – Einstein/ ALI

#### Students with highest good conduct points

Year 7 – Musa Imran

Year 8 – Imaani Zubair

Year 9 – Sami Naseem

Year 10 – Anastazja Restel

#### Tutor groups with the highest attendance

7 Curie/CLE

8 Jobs/ARA

9 Turing/ETA

10 – Einstein/ ALI

### Dropping off and Collecting Students

Please be aware that you should not be parking on the zig-zag lines by the zebra crossing, nor on the roundabout. It causes traffic congestion, pollution and can be dangerous. Please try to be considerate of our neighbours.
